RACHELLE GRIFFIN NAME EUDORA SCHOOLS 2018 OUTSTANDING VOLUNTEER OF THE YEAR

Tuesday, May 15, 2018; Eudora, KS: The Eudora Schools Foundation is pleased to announce that Rachelle Griffin was recently name the Outstanding Eudora Schools Volunteer of The Year.

The award recognizes community members that go above and beyond in their volunteer service to the district. Each spring, district employees are asked to nominate school volunteers that exceed in their commitment and dedication to our schools.

“There were many very deserving nominees, and the selection committee had a difficult task of narrowing it down to one honoree,” said Shanda Hurla, ESF Executive Director. “However, Rachelle’s nominations clearly affirmed her commitment, her devotion, and her passion for serving others. We are extremely grateful for all that she has done for our students, staff, and schools.”

Here are just a few comments that demonstrate the outstanding contributions Rachelle makes in Eudora Schools:

- *Rachelle has volunteered many hours with the Eudora Middle School Booster Club this year. She has gone over and beyond volunteering time not just for the Booster Club but for other events at EMS. Before almost every game Rachelle is setting up the concession stand and always provide any help for staff and also other parent volunteers.*

- *Rachelle also worked many hours to help create the backdrops for the 6th and 7th grade drama plays. Rachelle is tremendous in giving of her time and talent. She painted the two flats for the EMS Christmas Carol play. She spent quite a bit of time designing and working on them.*

"The Eudora School District is a fantastic district to be a part. I enjoy volunteering to help pay it forward to the teachers, administrators, and staff that put so much of their time and heart into educating our children," said Rachelle Griffin. "I love interacting with the students and developing friendships with the families my children grow up with."

“Our district is made so much stronger by the contributions of outstanding volunteers like Rachelle. She has played a pivotal role in many activities at Eudora Middle School this year and represents the big difference that one person can make by being generous with time and talent,” said Steve Splichal, Eudora Schools Superintendent.

The Eudora Schools Foundation is a nonprofit organization 501(c)(3) that generates resources, builds relationships, and champions public education in Eudora Public Schools. Founded in 2006, the Foundation exists to enhance the quality of education through partnerships with the community. By supporting the ESF, the entire community is contributing to every Eudora student's success.
